

Job description

MolQ Entertainment

Chief Financial Officer

Job Description

Company Description: MolQ Entertainment is an American technology and media and entertainment company headquartered in Los Angeles, CA, with offices in Stamford, CT and The Hague, Netherlands. We are launching two global streaming media platforms including our vMVPD, mQ TV launching 50+ global TV networks including our own 24/7 global news and 24/7 sports networks and mQ Films, an independent film, documentary, shorts and original programming global streaming platform. Our vMVPD mQ TV will launch exclusively in the U.S. and Canada during 1Q & 2Q 2025. Our streaming platform mQ Films will launch in the U.K., Ireland and in the U.S. during 2Q & 3Q 2025.

This is an opportunity to take on a high-level role in a fast growing and pre-IPO company that involves closely working with the senior management team, department heads and other stakeholders as our streaming services mQ TV and mQ Films disrupt the \$500BN global streaming industry.

About This Position: MolQ Entertainment is recruiting for a Chief Financial Officer who will be based in the New York City metro area. Reporting directly to the CEO, the CFO will be responsible for all aspects of the company's global financial accounting and reporting as a member of the senior executive team responsible for driving global business strategy and profit growth. The CFO will bring insightful analysis, process, reporting, metrics, and disciplined control to drive continuous margin improvement.

RESPONSIBILITIES & DELIVERABLES FOR THIS POSITION INCLUDE:

- Provide forward looking insight and function as the senior global finance executive, visionary and problem solver ensuring strategic direction is aligned with the company's goals and initiatives.
- Collaborate and lead investor discussions with President of Investments with our Series A, Series B, and Series C investments in the company.
- Work closely with the CEO and Head of Investor Relations on planning company's IPO in a 3-to-5-year time frame.
- Lead in a hands-on fashion to develop best in class accounting and financial reporting including all financial statements, budgeting & forecasting, management reporting and decks, supporting analysis, KPI's, and creation of dashboards.
- Provide key leadership in developing and managing global financial operations including overseeing cash, risk management, financial and operational controls, compliance with domestic and foreign accounting and corporate structure & regulations, tax mitigation strategies, corporate development and NetSuite systems implementation.
- Help drive the performance, strategic planning and growth orientation of the business

- Recruit, lead, manage, assess and help build a high-performance team including a Controller and VP of Finance and Accounting based on providing value to customers, direct communication, compliance, and accountability.
- Partner closely with the CEO to lead the company through significant growth and an overall increase of valuation for overall profitability.
- Analyze all client engagement economics to determine current and future margin goals to ensure subscriber profitability.
- Responsible for understanding all global distribution and technology agreements. Tracking of distribution deals and using this information to inform financial decisions across the company.
- Analyze current and future headcount budgets partnering with HR to determine staffing, talent, and other people-related needs.

REQUIREMENTS & QUALIFICATIONS:

- 15+ years of relevant experience with a minimum of five years of experience in a CFO or senior financial leadership role within a pre-revenue environment.
- Media experience a must.
- Bachelor's Degree in Accounting, Finance, or a related field. MBA or CPA required
- M&A and international investment banking with proven success in raising capital, and strong relationships with global investment banks and Wall Street
- Exceptional ability to obtain stakeholder buy-in & strong change management skills.
- Advanced computer skills
- Strong understanding of streaming media OTT business models
- Results-oriented, strategic thinker, and strategic planner
- Domestic and international travel required
